Finca Cortesin Apartments. We now have this new Residential Development of 32 homes including apartments and townhouses. • This unique project is located on an elevated plot within what is considered to be "The Best Golf Resort in Europe" • Finca Cortesin. • One of the main characteristics of the development is its low density in construction, and its amazing views out over the course and ocean. • Set on this elevated plot this exceptional characteristic allows for the development of homes with large rooms and large terraces with a vanguard architecture visually very attractive, elegant and relaxing. • Carefully selected qualities and generous open spaces designed for full enjoyment. • With a choice of different...(Ask for More Details!)
