New on the market with us today and at a great price of just €369,000 - being sold fully furnished - the owners are looking to sell quickly so offers welcome! Welcome to El Faro and to this amazing country side home with incredible sea views and only few steps away from beach and with easy access to high way.

From here you drive in five minutes to La Cala de Mijas and Fuengirola. Its located between two upscale resorts which offer variety of amenities including live music. This home has two spacious bedrooms and one bathroom but there is possibility to extend the house 40% so you can make extra bedrooms and bathroom if needed. Built on one level.

Let your eyes rest in uninterrupted sea views while cooking and hosting your loved ones in living and dining area. There is lots of open space and light in this home. It's sold with furniture so it's ready for you to move in. How about relaxing in your own garden listening to the bird sing while you do your morning yoga or have breakfast.

This community has a pool area but there is a possibility to make your own pool in the garden if needed....
