230m²

Location Location Location, bottom half of Riviera del Sol, great family home, quiet cut de sac with only 4 other properties, 2 minutes walk. Both villas set in the same garden area. (2 Villas included in the price - excellent opportunity for rental returns) The main villa is a large 3 bedroom 2 bathroom 1 guest toilet, With a large open plan aspect the ground floor has a well stocked fully fitted kitchen area with island unit leading to a nice dining area and TV lounge area, the kitchen and lounge both open up onto the large grassed garden and large heated pool area. There is also a large summer room off the lounge area, with a chimney fully en-closed with glass curtains. A solid spiral stair case leads you up stairs. The master bedroom in the main villa is a good size with walk in wet room and french doors leading to a large terrace over looking the pool and garden area, also stairs leading to a solarium on the roof with partial sea views. The 2...
